SUMMARY OF EX-PARTE TELEPHONE DISCUSSION

On Thursday, January 24, 2013, at approximately 8:45AM EST, I telephoned Mr. Scot Stone, Deputy Chief, Wireless Telecommunications Bureau. The purpose of my call was to ask Mr. Stone why that two items that were in the record of the above proceedings had been removed from the record. Both a letter from him addressed to Mr. Nicholas Proy, and Mr. Proy's Petition For Rulemaking of August 21, 2012, PRM12MB, were included in at least one of the proceedings about mid-November 2012 and were nowhere to be found as of yesterday, January 23, 2013.

Mr. Stone said that he was unaware of their removal and would look into the matter.

A handwritten signature in blue ink, appearing to read "W. Lee McVey".
